Homework Help / 5th Grade  
 I know, 5th grade math, simple right. Well not the way I learned how to do math. Twin daughters in 5th grade have to solve this problem and show their work. 288/16= Of course I know the answer and can figure this out myself the way I grew up learning to do math (the right way in my opinion, by multiplying) but they are not teaching them this way.
