This handsome edition of McCarthy's completed Border Trilogy in one volume gives the reader one of the most important works of American fiction of the last decades. McCarthy's work is far more than a western, but crosses the borders between fiction and philosophy, the real and the world of dream. With influences ranging from the traditional western; the coming-of-age story; the courtly romance; classical tragedy; and magical realism, McCarthy's masterpiece is a work to be read and read again. This new volume containing all three of the novels, All the Pretty Horses, The Crossing, and Cities of the Plain, is a welcome addition to the canon of McCarthy's works in print.

There are plenty of fish in the sea, but finding a real keeper is not so easy. Lou Albert's boat is in dry dock in Anchorage for repairs. And with the fishing season already underway, finding employment on another boat is the only way to make enough to get the troller, Lindy Lee, back in action. A fishing boat captain in Homer in desperate need of crew members provides a lucky break. Homer: End Of The Road is the third book in the Alaska Adventure Romance series. If you love sweet romance stories set in Alaska then you'll love this series by Renee Hart.

River, Standing at the edge of the gateway, I understand two things. One, I have no idea what I'm doing. Two, the gateway to Hell is not closing. Now, there may be only one option left to me, to all of us. I may have to enter the one place I'd hoped to avoid throughout this journey. I may have to enter Hell. Unfortunately, a change in events takes the choice away from me. Kobal, I always knew the idea of River entering into Hell could become a reality, but I expected her to be by my side when, or if, it happened. I expected to be there to protect her, but she's gone in alone. Now, not only am I trying to catch up with her, but I know Lucifer will soon learn of her entrance into my world, and he will be after her too. I just don't know which one of us will reach her first. ***There are four books in this paranormal romance series which is now complete. Not all things will be resolved in this book. Due to sexual content, violence, and language, this book is recommended for readers 18+ years of age.***The Road to Hell Series Complete Reading Order: Good Intentions (Book 1) Carved (Book 2) The Road (Book 3) Into Hell (Book 4)

Includes readers guide discussion questions.

From Michael Cunningham, the Pulitzer Prize-winning author of The Hours, comes this widely praised novel of two boyhood friends: Jonathan, lonely, introspective, and unsure of himself; and Bobby, hip, dark, and inarticulate. In New York after college, Bobby moves in with Jonathan and his roommate, Clare, a veteran of the city's erotic wars. Bobby and Clare fall in love, scuttling the plans of Jonathan, who is gay, to father Clare's child. Then, when Clare and Bobby have a baby, the three move to a small house upstate to raise "their" child together and, with an odd friend, Alice, create a new kind of family. A Home at the End of the World masterfully depicts the charged, fragile relationships of urban life today.

At an internment camp in Indonesia, forty-seven people are pronounced dead with acute hemorrhagic fever. When epidemiologist Henry Parsons travels there on behalf of the World Health Organization to investigate, what he finds will have staggering repercussions. Halfway across the globe, the deputy director of U.S. Homeland Security scrambles to mount a response to the rapidly spreading pandemic leapfrogging around the world, which she believes may be the result of an act of biowarfare. And a rogue experimenter in man-made diseases is preparing his own terrifying solution. As already-fraying global relations begin to snap, the virus slashes across the United

States, dismantling institutions and decimating the population. With his own wife and children facing diminishing odds of survival, Henry travels from Indonesia to Saudi Arabia to his home base at the CDC in Atlanta, searching for a cure and for the origins of this seemingly unknowable disease.

LONGLISTED FOR THE BOOKER PRIZE From the beloved Anne Tyler, a sparkling new novel—an instant New York Times bestseller—about misperception, second chances, and the sometimes elusive power of human connection. Micah Mortimer is a creature of habit. A self-employed tech expert, superintendent of his Baltimore apartment building, cautious to a fault behind the steering wheel, he seems content leading a steady, circumscribed life. But one day his routines are blown apart when his woman friend (he refuses to call anyone in her late thirties a "girlfriend") tells him she's facing eviction, and a teenager shows up at Micah's door claiming to be his son. These surprises, and the ways they throw Micah's meticulously organized life off-kilter, risk changing him forever. An intimate look into the heart and mind of a man who finds those around him just out of reach, and a funny, joyful, deeply compassionate story about seeing the world through new eyes, *Redhead by the Side of the Road* is a triumph, filled with Anne Tyler's signature wit and gimlet-eyed observation. "Tyler's novels are always worth scooping up—but especially this gently amusing soother, right now." —NPR

From #1 New York Times bestselling author Richard Paul Evans, the dramatic conclusion in the riveting Broken Road trilogy—a powerful redemption story about finding happiness on a pilgrimage across iconic Route 66. Chicago celebrity and pitchman Charles James is supposed to be dead. Everyone believes he was killed in a fiery plane crash, a flight he narrowly missed. But thanks to that remarkable twist of fate, he's very much alive and ready for a second chance at life and love. Escaping death has brought Charles some clarity: the money, the fame, the expensive cars; none of it brought him true joy or peace. The last time he was truly happy was when he was married to his ex-wife Monica, before their relationship was destroyed by his ambition and greed. In this final installment of the exciting and provocative series that began with *The Broken Road* and *The Forgotten Road*, Charles is still on his pilgrimage across the iconic Route 66. He intends to finish his trek from Amarillo to Santa Monica, despite learning that his ex-wife is now planning to marry another man. With the initial reason for his trip in jeopardy, he still has lessons to learn along the way before he discovers—and arrives at—his true destination.

"My name is Brian Keene. I'm a writer by trade and a road warrior by heart. Neither of these things are wise career or life choices. The tolls add up. Over the last twenty years, things have changed. Book tours have changed, publishing has changed, bookselling has changed, conventions have changed, horror fiction—and the horror genre—have changed. I've changed, too. The only things that haven't changed are writing and the road. They stay the same. The words we type today are the past tomorrow. Everything is connected like the highways on a map are connected. This holds true for the history of our genre, as well. I rode into town twenty years ago. Now I'm riding out. You're all coming with me..." So begins Brian Keene's *End of the Road*—a memoir, travelogue, and post-Danse Macabre examination of modern horror fiction, the people who write it, and the world they live—and die—in. Exhilarating, emotional, heartfelt, and at times hilarious, *End of the Road* is a must-read for fans of the horror genre. Introduction by Gabino Iglesias.

"In the wake of the apocalypse, Flora has come of age in a highly gendered post-plague society where females have become a precious, coveted, hunted, and endangered commodity. But Flora does not participate in the economy that trades in bodies. An anathema in a world that prizes procreation above all else, she is an outsider everywhere she goes, including the thriving all-female city of Shy. Now navigating a blighted landscape, Flora, her friends, and a sullen young slave she adopts as her own child leave their oppressive pasts behind to find their place in the world. They seek refuge aboard a ship where gender is fluid, where the dynamic is uneasy, and where rumors flow of a bold new reproductive strategy."--
