Here's a list of eight places where you can download free e-books Helvetica Forever: Story of a Typeface. Books with free ebook downloads available. Designed in 1957, the Helvetica font is an icon of Swiss graphic design, which was a model of sober, functional communication throughout the world in the 1950s and 60s.

Helvetica Forever: Story of a Typeface. {#Books}

Helvetica Forever: Story of a Typeface, also published by Müller, together with Victor Malsy, is the book for them. Beautifully designed, as one would expect, the book attempts to tackle the great paradox at the heart of Helvetica - how could a typeface designed for modest, almost invisible ubiquity, become such a well-known, almost iconic 'brand'.

Book: Helvetica Forever | Wallpaper*

Helvetica forever : story of a typeface. [Victor Malsy; Lars Müller; Axel Langer; Indra Kupferschmid;] -- Designed in 1957, the Helvetica font is an icon of Swiss graphic design, which was a model of sober, functional communication throughout the world in the 1950s & 60s.

Designed in 1957, the Helvetica font is an icon of Swiss graphic design, which was a model of sober, functional communication throughout the world in the 1950s & 60s. This text retraces Helvetica's 50-year history, compares it to the well-known sans serif fonts of the 20th century, & examines the phenomenon of its unparalleled spread.

A hugely entertaining and revealing guide to the history of type that asks, What does your favorite font say about you? Fonts surround us every day, on street signs and buildings, on movie posters and books, and on just about every product we buy. But where do fonts come from, and why do we need so many? Who is responsible for the staid practicality of Times New Roman, the cool anonymity of Arial, or the irritating levity of Comic Sans (and the movement to ban it)? Typefaces are now 560 years old, but we barely knew their names until about twenty years ago when the pull-down font menus on our first computers made us all the gods of type. Beginning in the early days of Gutenberg and ending with the most adventurous digital fonts, Simon Garfield explores the rich history and subtle powers of type. He goes on to investigate a range of modern mysteries, including how Helvetica took over the world, what inspires the seeming ubiquitous use of Trajan on bad movie posters, and exactly why the all-type cover of Men are from Mars, Women are from Venus was so effective. It also examines why the "T" in the Beatles logo is longer than the other letters and how Gotham helped Barack Obama into the White House. A must-have book for the design conscious, Just My Type's cheeky irreverence will also charm everyone who loved Eats, Shoots & Leaves and Schott's Original Miscellany.

Helvetica is not only the preferred typeface of leading professionals, it is also an all-time favourite among the multitude of codes, signals and signs that flavour urban life. This book sings the praises of the honest worker and solo entertainer of typefaces, Helvetica, and of its forgotten creator and all those who have contributed to its unparalleled international march of triumph over the past forty years. Filled with pages of color images of Helvetica in use, from album covers and road signs to advertisements and product packaging, the designs gathered together in honor of Helvetica have been created by superb designers and anonymous amateurs from all over the world. The result is an exciting collection of this icon of modern design. AUTHOR: Lars Muller was born in 1955 in Oslo. Trained as a graphic designer, he worked briefly in Holland before opening his own studio in Baden, Switzerland in 1982. Since 1996 he has been a partner in the interdisciplinary design group Integral Concept, which has offices in Paris, Milan, and Baden. In 1983, Muller began publishing books on typography, art, photography, industrial design, and architecture. He lectures at the Hochschule für Gestaltung in Basel. 400 illustrations

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

This publication contains text in German and English.

In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time -- about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From Gidget's sweet-faced "girl next door" to the dazzling complexity of Sybil to the Academy Award-worthy ferocity and depth of Norma Rae and Mary Todd Lincoln, Field has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind-the-scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships--including her complicated love for her own mother. Powerful and unforgettable, In Pieces is an inspiring and important account of life as a woman in the second half of the twentieth century.

In an age of irony, Freitag bags shoulder it all. Respectable, credible, authentic, genuine, trustworthy, and honest, they are an urban tool, a saddlebag for the city cowboy, a messenger bag for the real and the virtual; durable enough to be carried all over the world. Invented by Swiss brothers Daniel and Markus Freitag, who wanted bags just like the ones worn by New York bike couriers, bags that were practical, weatherproof, quick, and easy, the Freitag bag is tailor-made on a small-scale of recycled truck tarpaulins, bicycle inner tubes, and car seatbelts. In line with the Freitag principle, each book is individually bound with a spine made of typical bag material, and it holds a grab bag of printed goodies. In addition to covering the history of the bag and its particular ecological, economic, and sociocultural contexts, Freitag contains portraits of 3000 Freitag bags and their owners, most of whom are members of a generation that is as vain as it is critical of consumerism -- a generation for whom the Freitag bag is the ideal brand-name product.

THE #1 INTERNATIONAL KINDLE BESTSELLER A paranoid single mom is forced to confront the unthinkable act she committed as a desperate teenager in this addictive thriller with a social media twist. Maria Weston wants to be friends. But Maria Weston is dead. Isn't she? 1989. When Louise first notices the new girl who has mysteriously transferred late into their senior year, Maria seems to be everything the girls Louise hangs out with aren't. Authentic. Funny. Brash. Within just a few days, Maria and Louise are on their way to becoming fast friends. 2016. Louise receives a heart-stopping email: Maria Weston wants to be friends on Facebook. Long-buried memories quickly rise to the surface: those first days of their budding friendship; cruel decisions made and dark secrets kept; the night that would change all their lives forever. Louise has always known that if the truth ever came out, she could stand to lose everything. Her job. Her son. Her freedom. Maria's sudden reappearance threatens it all, and forces Louise to reconnect with everyone she'd severed ties with to escape the past. But as she tries to piece together exactly what happened that night, Louise discovers there's more to the story than she ever knew. To keep her secret, Louise must first uncover the whole truth, before what's known to Maria--or whoever's pretending to be her--is known to all.

In the spirit of *Humans of New York* and *PostSecret*, this is a gorgeous gift book celebrating the objects that outlast love: a poignant, funny, sometimes bizarre and always delightful window into modern love and loss. "Leave[s] your heart feeling full and connected." -- Frank Warren, *PostSecret* A postcard from a childhood sweetheart. A wedding dress sealed in a jar. A roll of undeveloped film. An axe used to chop an ex-lover's furniture in a fit of rage. A wind-up toy, a bar of bath soap, a tin of Love Potion with the simple caption "Doesn't work." These objects, and many more, make up the whimsical, imaginative, poignant population of the Museum of Broken Relationships. Started by two former lovers who wanted a way to commemorate their relationship even after it ended, who couldn't bear to simply throw away the objects that had once meant so much, the Museum of Broken Relationships has captured hearts and imaginations around the globe since its founding in 2010. Anonymous submissions have poured in by the thousands: objects with brief, compelling captions confessing to the story behind their meaning. The museum's Croatian exhibit quickly became a main draw for tourists from around the globe, and has garnered enthusiastic, glowing media attention from sources as disparate as the *New York Times* and the Chinese national news. Now, as the physical museum arrives for a permanent spot in Los Angeles, the authors have collected the best, funniest, most heartwarming and heartrending stories from their huge selection of submissions. Much like the bestselling *Postsecret* series, this beautiful oversized, four-color book will offer an irresistible glimpse inside other people's secret worlds, creating moments of deep human connection. It is a must read for anyone who has ever loved and lost.

A lyrical debut novel from a musician and artist renowned for her sharp sexual and political imagery Jo is in a strange new country for university and having a more peculiar time than most. In a house with no walls, shared with a woman who has no boundaries, she finds her strange home coming to life in unimaginable ways. Jo's sensitivity and all her senses become increasingly heightened and fraught, as the lines between bodies and plants, dreaming and wakefulness, blur and mesh. This debut novel from critically acclaimed artist and musician Jenny Hval presents a heady and hyper-sensual portrayal of sexual awakening and queer desire.
