India Black, that feisty and very unusual heroine, has gotten used to going out as a spy to assist the British government agent, French. French had also liked being around India and would often pass by her establishment, where she was a Madame for the upper classes of mid 19th century British society.

India Black in the City of Light (Novella) (Madam of ...

I'm a bit ambivalent about heroine India Black. She's snarky and a bit amoral but you can't help liking and admiring her anyway. This little novella, a fun read, is a prequel to the first two India novels set in Victorian England, India Black (A Madam of Espionage Mystery) and India Black and the Widow of Windsor (A Madam of Espionage Mystery). In those novels India is already established as madam of her very own brothel, after having worked a few years in another madam's establishment.

Review: India Black

India Black in the City of Light Another fun (short) episode in the Madam of Espionage series. India is yet again a humorous narrator and madam-turned-spy with a knack of getting into trouble (a stinking mess to be more precise) and French returns as the gallant secret agent who also has a knack of getting into trouble!

India Black and the Widow of Windsor by Carol K. Carr

I thoroughly enjoyed Carol Karr ' s INDIA BLACK. The title character is a lovely and intelligent, young madam in 1876 London. When a government official is found dead in her brothel, she joins forces with a handsome British spy to keep valuable paper from the Russian ' s clutches. This mystery is witty, high-spirited, fast-paced and has great humor.

Fourteen-year-old Sophronia is a great trial to her poor mother. Sophronia is more interested in dismantling clocks and climbing trees than proper manners--and the family can only hope that company never sees her atrocious curtsy. Mrs. Temminnick is desperate for her daughter to become a proper lady. So she enrolls Sophronia in Mademoiselle Geraldine's Finishing Academy for Young Ladies of Quality. But Sophronia soon realizes the school is not quite what her mother might have hoped. At Mademoiselle Geraldine's, young ladies learn to finish...everything. Certainly, they learn the fine arts of dance, dress, and etiquette, but they also learn to deal out death, diversion, and espionage--in the politest possible ways, of course. Sophronia and her friends are in for a rousing first year's education.

Now, the latest novel to feature Charles du Luc finds the ex-soldier-turned-Jesuit caught up in royal intrigue... Versailles, 1687 Madame de Maintenon is King Louis XIV ' s second wife. Then the Jesuit delegation falls direly ill, and a palace gardener is found murdered. Fear grips a court already on edge.
