Milady's' Professional Barber-Styling Workbook has been written to meet the needs, interests and abilities of students receiving training in barber-styling. The workbook should be used together with Milady's' Standard Textbook of Professional Barber-Styling. The workbook follows the content found in the student workbook. Students are to answer each item in the workbook with pencil after consulting their textbook for correct information. Items can be covered and/or rated during class or individual discussions, or on an independent study basis. The workbook provides detailed, interactive exercises including: fill in the blanks, word review exercises, matching tests, multiple choice tests, and reviews designed to help students learn practical procedures and eliminate faulty practices. "Word reviews" are used as study guides, for class discussions or for the teacher to assign groups of words to be used by

the students in creative essays. These various tests are included to emphasize essential facts found in the textbook and to measure the student's progress. ALSO AVAILABLE INSTRUCTOR SUPPLEMENTS CALL CUSTOMER SUPPORT TO ORDER Workbook Answer Key, ISBN: 1-56253-368-1

This revised edition is completely updated in both theory and the practice of barber-styling and brings you the latest in men's haircutting and styling, along with the most current information on barbering tools and implements. Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Milady 's Master Educator, Third Edition provides the backbone of the instructor theory for the beauty and wellness educator. The text presents educators with the teaching skills and educational judgments necessary to become an effective and successful instructor. The content in Master Educator is designed for flexibility, being used in programs ranging from a basic overview of instructor training to programs that require more advanced teaching techniques. Presented in a conversational, easy-to-understand style, it uses many pedagogical features to emphasize important information and powerful teaching techniques. Master Educator serves the future instructor as a valuable, fundamental learning tool, and the seasoned instructor with the strategies needed to adapt to the changing landscape of classroom learning. Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting.
