The Bible is explicit: We live in a world of distinct opponents; our very lives are a battle. Yet too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they don't recognize the enemy when they see it. More importantly, they have no idea how to respond. While society tells us we can react simply, the truth is that a wish, a hope, and a prayer are not the best responses to attacks from those who stand between us and the Father. Christians must be strategic in their reactions to these clearly defined enemies, learning how to fight biblically and effectively rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne - pastor of Leadership Development and Discipleship at Antioch Bible Church and Chaplain for the NFL's Seattle Seahawks - has written a guidebook for defense that is simple, biblical, and transferable. Through his teaching on how to recognize and resolve attacks from the world, we learn that we are more than conquerors in Christ.

The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. Understanding *Spiritual Warfare* explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some, physical healing as well. Understanding *Spiritual Warfare* is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

*Spirit Possession and Communication in Religious and Cultural Contexts* explores the phenomenon of spirit possession, focusing on the religious and cultural functions it serves as a means of communication. Drawing on the multidisciplinary expertise of philosophers, anthropologists, historians, linguists, and scholars of religion and the Bible, the volume investigates the ways that spirit possession narratives, events, and rituals are often interwoven around communicative acts, both between spiritual and earthly realms and between members of a community. This book offers fresh insight into the enduring cultural and religious significance of spirit possession. It will be an important resource for scholars from a diverse range of disciplines, including religion, anthropology, history, linguistics, and philosophy.

People of all genders and ages of the nation and all nations throughout the land is at war with invisible spirit beings, spirit enemies, demonic forces, and demon spirits within themselves, internally and externally in spiritual warfare, living and fighting among demonic forces in all areas of life without one's knowledge. Demon spirits are not made of flesh and blood. They are the invisible enemies in the physical realm and biologically in the spirit realm. Demonization covers all area of human lives and all levels of governments, even our own. The weeds and the wheat describe how demonization has some of the world population literally believe they are the opposite sex. Some male genders literally believe they are the opposite sex. Some female genders literally believe they are the opposite sex. And some of both genders believe he or she are of both genders, which classifies them as bisexual or having orientation to person of either sex. This means demonization has brought spiritual conflict upon nations throughout the land. Only Jehovah God's Word, the Holy Bible, can we, mankind, have victory over the invisible spirit enemies (adversaries) of the earth and in our governments at all levels.

Too often, Christians today either sensationalize the subject of spiritual warfare by obsessing over demon possession, exorcisms, binding the devil, and rebuking demons, or they minimize the idea and are unprepared for the real struggle they face against principalities and powers. Pastors Brian Borgman and Rob Ventura provide a balanced approach that exposes the fictions and superstitions surrounding this vital doctrine and at the same time reveal the unseen realities of this struggle. Basing their battle plan on Ephesians 6:10–20, the authors give an overview of the battle, a guide to the armor God gives us, and instruction regarding the vital wartime disciplines of prayer and proclamation of the Word. By learning to think biblically about this subject, Christians are enabled to deflect the blows of their adversary, fight sin, and live God-glorifying lives as followers of Jesus. Do you know how Satan and demons can affect the course of your life? Many humanistic diagnoses of afflictions and distresses simply do not discover the reality of spirit intervention. A biblical world view should lead us to consider demonic influence and invasion. Some cases of depression, suicidal thoughts, physical afflictions, mental disturbances, and poor relationships are caused by wicked spirits. We need to be aware of the enemy's tactics and effects. This book will make you aware of the reality of warfare, the resources of the believer in Christ, and the authority to forcefully resist our adversaries. "This book is a wake up call to believers who are often unaware of this invisible enemy who attacks them, their families, and churches" —Dr. Erwin Lutzer, Pastor Emeritus The MoodyChurch, Chicago

Practical, Everyday Introduction to Deliverance for All Christians For most Christians, the word deliverance often brings negative connotations to mind: lots of yelling and holy water and darkness—maybe even something from a Hollywood horror movie exorcism. But deliverance is not about shouting or showmanship. It is about the simple act of asking Jesus for help, for freedom, and using his authority over the enemy. In this accessible and practical guide, evangelical leader and bestselling author Larry Richards walks you through the who, what, when, where, why, and how of deliverance. In everyday language, he shows how you can apply this information to your life and the lives of your friends and family. As children of God, we have been given access to Jesus' death-defying power to help free ourselves and others from evil. You don't have to continue to struggle with persistent problems or strongholds. Your loved ones can be freed from the lies or addictions that hold them back. There is hope in Christ—you can live in freedom! Includes an extensive glossary of terms and appendixes with prayers and even more practical resources.

A TIME FOR W.A.R. emphasizes the myths and misconceptions that surround demonic activities. It contains a wealth of Scripture references and dramatic practical illustrations that confirm the reality of Demons, Spiritual Warfare and the Deliverance Ministry. It also points us to the tools that are vital in becoming and remaining victorious in Jesus name. (Jacqueline Hibbert-Pinto, Administrator, W.A.R. Team)

In this new Urbana Onward minibook, veteran missionaries Jack and Mary Anne Voelkel expose the dynamics of spiritual warfare in the work of missions and equip readers to take practical, prayerful steps toward spiritual triumph.
