Two years after leaving home to make his own fortune, Joshua Bradley has finally returned to the Bradley Equine Ranch—and to Tessa McCade, the sexy ranch manager with whom he shared a single steamy tryst. Tessa now owns the ranch like she's always dreamed—but it's in trouble. Dozens of horses have been lost and she's on the brink of bankruptcy. To save his family's business, Josh offers to buy it from her...and share the ranch house with her once again. Tessa chafes at needing Josh's help, but she's never forgotten the taste of pleasure Josh gave her so long ago. Soon, neither of them can resist the desire mounting between them, and unleash a passion that is even more powerful than Tessa's pride... 35,300 words

The very short prequel to Tessa's Pride by Olivia Brynn Cowgirl Tessa McCade has a rare day off from Bradley Equine Ranch, and she's got a plan. She mounts her favorite horse to ride to a secluded spot on the Montana horse ranch with a book, a snack, and a towel for skinny-dipping. When her boss—Joshua Bradley himself—joins her, Tessa knows it will take all her strength to keep her feelings for the man at bay. If there's one thing Tessa didn't plan on today, it's Josh's surprising admission. \*Bonus! Includes the first two chapters of Tessa's Pride!\*

"Funny, engrossing, and one-of-a-kind. If You're Out There completely swept me away." —Becky Albertalli, New York Times bestselling author of Leah on the Offbeat Part whip-smart suspense tale, part touching story of friendship, this is an extraordinary debut about a determined teen trying to solve a mystery no one else believes in. After Zan's best friend moves to California, she is baffled and crushed when Priya suddenly ghosts. Worse, Priya's social media has turned into a stream of ungrammatical posts chronicling a sunny, vapid new life that doesn't sound like her at all. Everyone tells Zan not to be an idiot: Let Priya do her reinvention thing and move on. But until Zan hears Priya say it, she won't be able to admit that their friendship is finished. It's only when she meets Logan, the compelling new guy in Spanish class, that Zan begins to open up about her sadness, her insecurity, her sense of total betrayal. And he's just as willing as she is to throw himself into the investigation when everyone else thinks her suspicions are crazy. Then a clue hidden in Priya's latest selfie introduces a new, deeply disturbing possibility: Maybe Priya isn't just not answering Zan's emails. Maybe she can't.

Vegas is the perfect place to cash in. What they decide to do will not only make headlines in the Nevada city, but around the world. The last thing Maureen needs right now is to fall for sexy Nicholas Webster, who's used to getting everything he wants. Because when the time comes, she'd have to betray the man she's come to love in order to fulfill her contract. Will she be able to sell herself? And at what price?

Sidney has crushed on her boss Grant for over two years. When she finally pushes him to his breaking point, they both end up winning. The fraternization rule their company holds dear means that they've got to keep their new relationship deep under wraps. Grant knows that this could end very badly. There are two things I know for certain: horses are better than people, and women are more trouble than they're worth. The revolution in Paravel was a celebration, for most. There's just a different set of assholes at the top, kicking down the ones below them. And that's where I am, at the bottom of the pile, and luscious and brazen Lady Aubrey is at the very top. She parades around my stables like she owns the place, wiggling that fine ass in her tight-fitting jodhpurs. It's not the first time a society girl has thrown herself at me to make Daddy angry, but this is the first one I've wanted to catch and toss down in the hay. Aubrey is a filly who refuses to be tamed. I'm determined to break her in and make her mine--before my family's past rears its ugly, traitorous head, and she's snatched from me forever. AUTHOR'S NOTE: Cassian Bellerose is a bad-tempered beast with his eye on a high-class filly. The Court of Paravel books continue chronologically. It's recommended that they're read in order.

In her witty and breathtakingly sexy novel, Emily Foster introduces a story of lust, friendship, and other unpredictable experiments. . . Data, research, scientific formulae--Annabelle Coffey is completely at ease with all of them. Men, not so much. But that's all going to change after she asks Dr. Charles Douglas, the postdoctoral fellow in her lab, to have sex with her. Charles is not only beautiful, he is also adorably awkward, British, brilliant, and nice. What are the odds he'd turn her down? Very high, as it happens. Something to do with that whole student/teacher/ethics thing. But in a few weeks, Annie will graduate. As soon as she does, the unlikely friendship that's developing between them can turn physical--just until Annie leaves for graduate school. Yet nothing could have prepared either Annie or Charles for chemistry like this, or for what happens when a simple exercise in mutual pleasure turns into something as exhilarating and infernally complicated as love.
