It's a great addition to the Cowboy Gangster series but I seriously regret buying this book. I paid full price for the book when it first was available thinking I'm going to get the rest of the story hinted at in the novella but like three pages in the author explains because of the co-vid crap the full book isn't ready but here's half the book.

When Clint and the boys "clean house" after discovering a small dangerous operation of child sex traffickers, they find themselves pulled into a nightmare of unparalleled proportions where children are nothing but "merchandise" and the depth of depravity and abuse beyond human comprehension.\*Contains strong violence and language, and explicit M/M sex scenes. 18+ readers only.

Clint "The Cowboy" Maddox is a force to be reckoned with. Enforcer for the Sanitini family, the cowboy has known only violence, pain and death. But for a select few he calls "brothers". Clint feels no love for mankind and believes that "an eye for an eye" is the only true means of retribution. 'Let the punishment fit the crime' is his philosophy when dealing with his enemies. But upon meeting Axel Anders -a frightened and lost young man with a stained soul of his own -Clint's hard-as-steel exterior begins to crack as he finds himself intrigued by the effect this vulnerable "kid" has on him. Yet when Axel's presence begins to disturb the ground beneath which Clint's darkest, most painful memories have lain dormant for over two decades, he begins to understand that the young man poses a greater threat than any flesh and blood enemy -and knows he must put the kid out of his life, or face a resurrected past that he believed to be dead and buried.

A Texas Cattleman's Club tale of best friends falling in love Royal, Texas, is the perfect place for rodeo star Ryan Grant to slow down and finally show Piper Kindred she's the woman for him. When an accident sends Piper rushing to take care of him, her sexy bedside manner suggests to Ryan that seducing his best friend will be easier than he'd expected. But Piper knows the lure of the rodeo circuit—and the risk of a broken heart, when Ryan realizes he's not ready to hang up his saddle for good. She can't let herself fall for a cowboy. If only her heart would listen!

From Edgar Award-winning Andrew Klavan, a supernatural thriller about a good cop in the grips of an evil curse: the first in a trilogy about a crime-fighter on a quest to control the beast within. Zach Adams is one of the best detectives in the country. Nicknamed Cowboy, he's a soft-spoken homicide detective known for his integrity and courage under fire. He serves on a federal task force that has a single mission: to hunt down Dominic Abend, a European gangster who has taken over the American underworld. In a centuries-old forest under a full moon, a beast assaults Zach, cursing him forever. In the aftermath, he is transformed into something horrible—something deadly. Now, the good cop has innocent blood on his hands. He has killed—and will kill again—in the form of a beast who can't be controlled or stopped. Before he can free himself, he's going to have to solve the greatest mystery of all: How can you defeat evil when the evil is inside you?

Eight shorts stories of burning passion and real love. A collection of M/M erotic romance, including the following short stories by A.M. Snead: BROKEN ROAD: One brokenhearted boy. Two sexy, compassionate strangers. Three warm, willing bodies on a cold night. JUST A KISS: It was just a little kiss to prove a point. HIDDEN DESIRES: What meets the eye, isn't always as it appears. ROOM WITH A VIEW: Wrong room, right time. BIRTHDAY WISH: His 22nd birthday. A hot bartender. And one wish. WIN, LOSE OR DRAW: It isn't whether you win or lose...it's how you play the game. GHOST OF A CHANCE: "I will love you until the end...and even then." HANDS ON: Two ships passing in the night...or a fated encounter?

(BOOK 4 OF 4 OF THE LOST SERIES.)COCHISEWhen we took this job, I knew that when it ended—the cowboy would take a few extra demons home with him. He's a tough SOB—the toughest I know—but this shit gets to him. These kids. It's had enough witnessing the aftermath of their abuse, what it does to them in the long run... but losing them is worse. The cowboy lost one, to no fault of his own. But he will "own" that blame nonetheless and carry it home. The rest will be up to Axel. He's good for Clint. He tames the cowboy's demons.CLINTMy Egyptian brother has protected me for years—even at the beginning, when he pretended to despise me. We don't talk about his protective nature over me, it's just there. But I see it, feel it—and it bonds us tighter as brothers. It doesn't exist because he thinks me weak. I know better than anyone that he feels safest when I have his back. And vice versa. He knows this horror show with these kids messes me up. It burrows in, takes root, and torments me. Who would've thought I'd ever give a damn to this degree? Not me. Not Cochise. Not anyone who knew me before. But I'm not the only one affected by these missions to hell. I'm not the only one who has changed. Cochise has collected his fair share of demons as well... he just deals with them differently. He encountered demons during his venture outside the prison—and he sent them back to hell. But he didn't come back from it untouched. He came back attached—to three siblings with nowhere to go, no one to turn to. I'm not the only one who gives a damn. You wouldn't know it by looking at him—a man whose presence alone strikes terror into the hearts of his enemies—but his heart is huge and gold through and through.CONTENT WARNING: Graphic violence, strong language, explicit M/M sexual scenes.TRIGGER WARNING: Depictions and references to child abuse and sex trafficking.

When a life of neglect, abuse and survival on the streets finally drops Abel Sims at the door of the Phoenix Club - a prominent, high-end gay strip club - he is taken in and accepted as one of their own. By age nineteen, Abel is a favorite at the club, his innocent face and graceful body the perfect combination to demand the full attention of the customers. But though Abel plays to the desires and wants of the men at the club, he warily guards his heart, having suffered too much abuse to trust anyone beyond the circle of his new family. When an unexpected encounter with a young doctor puts Abel's heart in danger of falling in love, he resists. But unable to deny his growing feelings for the doctor, Abel begins to open his heart - only to have it torn apart by a revelation that brings his worst nightmare to life and shatters all hope of love."An emotionally charged, sexy, heart-wrenching love story that will shatter your heart... then pull it back together again."TRIGGER WARNING: References to depictions of sexual/physical/mental abuse and rape.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

This acclaimed novel reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. In 1978 six refugees—a girl, her father, and four “uncles”—are pulled from the sea to begin a new life in San Diego. In the child’s imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father’s hopeless rage.

Was he New York City’s last pirate . . . or its first gangster? This is the true story of the bloodthirsty underworld legend who conquered Manhattan, dock by dock—for fans of Gangs of New York and Boardwalk Empire. “History at its best . . . I highly recommend this remarkable book.”—Douglas Preston, #1 New York Times bestselling author of The Lost City of the Monkey God Handsome and charismatic, Albert Hicks had long been known in the dive bars and gin joints of the Five Points, the most dangerous neighborhood in maritime Manhattan. For years, he operated out of the public eye, rambling from crime to crime, working on the water in ships, sleeping in the nickel-a-night flops, drinking in barrooms where rat-baiting and bear-baiting were great entertainments. His criminal career reached its peak in 1860, when he was hired, under an alias, as a hand on an oyster sloop. His plan was to rob the ship and flee, disappearing into the teeming streets of lower Manhattan, as he’d done numerous times before, eventually finding his way back to his neversighted Irish immigrant wife (who, like him, had been disowned by her family) and their infant son. But the plan went awry—the ship was found listing and unmanned in the foggy straits of Coney Island—and the voyage that was to enrich him instead led to his last desperate fight. Long fascinated by gangster legends, Rich Cohen tells the story of this notorious underworld figure, from his humble origins to the wild, globe-crossing, bacchanalian crime spree that forged his ruthlessness and his reputation, to his ultimate incarnation as a demon who terrorized lower Manhattan, at a time when pirates anchored off 14th Street. Advance praise for The Last Pirate of New York “A remarkable work of scholarship about old New York, combined with a skillfully told, edge-of-your-seat adventure story—I could not put it down.”—Ian Frazier, author of Travels in Siberia “With its wise and erudite storytelling, Rich Cohen’s The Last Pirate of New York takes the reader on an exciting nonfiction narrative journey that transforms a grisly nineteenth-century murder into a shrewd portent of modern life. Totally unique, totally compelling, I enjoyed every page.”—Howard Blum, New York Times bestselling author of Gangland and American Lightning
