We hear a lot about job security these days. But the simple fact is, if you have a job, you have no real security anymore! Today, job security is out. Lean and mean is in. Which means the next job to be downsized could be yours! So how do you create true security for yourself and your family in a hired-today-and-fired-tomorrow workplace? The answer: Create your own security by building pipelines of residual income. In the parable of the pipeline, Burke Hedges explains how virtually anyone can leverage their time, relationships and money to become a millionaire. The parable of the pipeline: why job security is an illusion. And why pipelines of residual income provide the only true security. Why pipelines are the secret behind every million-dollar fortune. Why one pipeline is worth a thousand paychecks. How to build a million-dollar pipeline on less than 4 dollar a day! How average people without a lot of money can leverage their time and relationships to create the ultimate pipeline. How to start living your dreams today by building a 5-year lifestyle pipeline, while planning for the future by building a 50-year retirement pipeline.

than the competition. The leadership stories demonstrate the many ways that the core ideas of the Fifth Discipline, many of which seemed radical when first published, have become deeply integrated into people's ways of seeing the world and their managerial practices. Senge describes how companies can rid themselves of the learning blocks that threaten their productivity and success by adopting the strategies of learning organizations, in which new and expansive patterns of thinking are nurtured, collective aspiration is set free, and people are continually learning how to create the results they truly desire. Mastering the disciplines Senge outlines in the book will:

- Reignite the spark of genuine learning driven by people focused on what truly matters to them
- Bridge teamwork into macrocreativity
- Free you of confining assumptions and mindsets
- Teach you to see the forest and the trees
- End the struggle between work and personal time

This updated edition contains more than one hundred pages of new material based on interviews with dozens of practitioners at companies such as BP, Unilever, Intel, Ford, HP, and Saudi Aramco and organizations such as Roca, Oxfam, and The World Bank.

If a hungry little traveler shows up at your house, you might want to give him a cookie. If you give him a cookie, he's going to ask for a glass of milk. He'll want to look in a mirror to make sure he doesn't have a milk mustache, and then he'll ask for a pair of scissors to give himself a trim.... The consequences of giving a cookie to this energetic mouse run the young host ragged, but young readers will come
