The Remains of the Day is a 1989 novel by the Nobel Prize-winning British author Kazuo Ishiguro. The protagonist, Stevens, is a butler with a long record of service at Darlington Hall, a stately home near Oxford, England. In 1956, he takes a road trip to visit a former colleague, and reminisces about events at Darlington Hall in the 1920s and 1930s.

The Remains of the Day, Kazuo Ishiguro The "Remains of the Day", is a 1989 novel by Nobel Prize-winning British writer, Kazuo Ishiguro. In the summer of 1956, Stevens, a long-serving butler at Darlington Hall, decides to take a motoring trip through the West Country.

~~The Remains of the Day by Kazuo Ishiguro Goodreads~~

But 'The Remains of the Day' is much deeper than this; cleverly so, for there is no doubt that Ishiguro has carefully planned out the structure and themes of the novel. Indeed, considering that most of the story is told in gentle first-person flashback and, in many ways, nothing really happens even at the very end, it is a remarkable thing ...

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel-winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

Kazuo Ishiguro's new novel Klara and the Sun is now available to preorder From the Nobel Prize-winning author of Never Let Me Go Winner of the Booker Prize ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' A contemporary classic, The Remains of the Day is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the English countryside and into his past.

Kazuo Ishiguro's Booker Prize-winning masterpiece became an international bestseller on publication, was adapted into an award-winning film, and has since come to be regarded as a modern classic. The Remains of the Day is a spellbinding portrayal of a vanished way of life and a haunting meditation on the high cost of duty. It is also one of the most subtle, sad and humorous love stories ever written. It is the summer of 1956, when Stevens, a man who has dedicated himself to his career as a perfect butler in the one-time great house of Darlington Hall, sets off on a holiday that will take him deep into the English countryside and, unexpectedly, into his own past, especially his friendship with the housekeeper, Miss Kenton. As memories surface of his lifetime "in service" to Lord Darlington, and of his life between the wars, when the fate of the continent seemed to lie in the hands of a few men, he finds himself confronting the dark undercurrent beneath the carefully run world of his employer.

Continuum Contemporaries will be a wonderful source of ideas and inspiration for members of book clubs and readings groups, as well as for literature students.The aim of the series is to give readers accessible and informative introductions to 30 of the most popular, most acclaimed, and most influential novels of recent years. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question. The books in the series will all follow the same structure:a biography of the novelist, including other works, influences, and, in some cases, an interview; a full-length study of the novel, drawing out the most important themes and ideas; a summary of how the novel was received upon publication; a summary of how the novel has performed since publication, including film or TV adaptations, literary prizes, etc.;; a wide range of suggestions for further reading, including websites and discussion forums; and a list of questions for reading groups to discuss.

From the Booker Prize-winning author of The Remains of the Day and When We Were Orphans, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it’s only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. Never Let Me Go breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans. In 'Klara and the Sun', Kazuo Ishiguro looks at our rapidly-changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel The Remains of the Day In the face of the misery in his homeland, the artist Masuji Ono was unwilling to devote his art solely to the celebration of physical beauty. Instead, he put his work in the service of the imperialist movement that led Japan into World War II. Now, as the mature Ono struggles through the aftermath of that war, his memories of his youth and of the "floating world"—the nocturnal world of pleasure, entertainment, and drink—offer him both escape and redemption, even as they punish him for betraying his early promise. Indicted by society for its defeat and reviled for his past aesthetics, he relives the passage through his personal history that makes him both a hero and a coward but, above all, a human being.

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel The Remains of the Day Here is the story of Etsuko, a Japanese woman now living alone in England, dwelling on the recent suicide of her daughter. In a novel where past and present confuse, she relives scenes of Japan's devastation in the wake of World War II.

The Nobel Lecture in Literature, delivered by Kazuo Ishiguro (The Remains of the Day and When We Were Orphans) at the Swedish Academy in Stockholm, Sweden, on December 7, 2017, in an elegant, clothbound edition. In their announcement of the 2017 Nobel Prize in Literature, the Swedish Academy recognized the emotional force of Kazuo Ishiguro’s fiction and his mastery at uncovering our illusory sense of connection with the world. In the eloquent and candid lecture he delivered upon accepting the award, Ishiguro reflects on the way he was shaped by his upbringing, and on the turning points in his career—“small scruffy moments . . . quiet, private sparks of revelation”—that made him the writer he is today. With the same generous humanity that has graced his novels, Ishiguro here looks beyond himself, to the world that new generations of writers are taking on, and what it will mean—what it will demand of us—to make certain that literature remains

not just alive, but essential. An enduring work on writing and becoming a writer, by one of the most accomplished novelists of our generation.

NATIONAL BESTSELLER • From the winner of the Nobel Prize in Literature and author of *Never Let Me Go* and the Booker Prize-winning novel *The Remains of the Day* comes a luminous meditation on the act of forgetting and the power of memory. In post-Arthurian Britain, the wars that once raged between the Saxons and the Britons have finally ceased. Axl and Beatrice, an elderly British couple, set off to visit their son, whom they haven't seen in years. And, because a strange mist has caused mass amnesia throughout the land, they can scarcely remember anything about him. As they are joined on their journey by a Saxon warrior, his orphan charge, and an illustrious knight, Axl and Beatrice slowly begin to remember the dark and troubled past they all share. By turns savage, suspenseful, and intensely moving, *The Buried Giant* is a luminous meditation on the act of forgetting and the power of memory.
