The Storms of War is the first in a planned trilogy by Kate Williams following the De Witt family during the period 1914-1918 as World War One alters their lives forever. This book has such a beautiful cover that captures the pre war era perfectly and sums up those carefree days before the outbreak of an event which once finally over after four hard years leaves the world a changed place for all who remain.

The Storms of War (The Storms of War #1) by Kate Williams

The title of the book, "The Storm of War," conceals an answer to Roberts' s central question about the reasons for the German defeat. The notion of war as a storm summons up the Nazi idea of a...

"Dangerous" and "violent" supercell thunderstorms smashed south east Queensland this afternoon. It' s just a taster for another sodden weekend as Australia' s La Nina lashing continues.

"Roberts'spopulist approach makes for a rollicking good read and never comes at theexpense of accuracy. His mastery of the huge variety of subjects is trulyimpressive and his ability to marshal these subjects into a single compellingnarrative stunning." —The Daily Telegraph Hailedby The Economist as "Britain' s finest military historian" forbestsellers such as *Masters and Commanders* and *Waterloo*, AndrewRoberts offers a magisterial new history of World War II and the Axis strategythat led the Germans and Japanese to their eventual defeat. Perfect for readershoping to gain new insight into WWII' s pivotal battles and campaigns, fromDunkirk to D-Day, *The Storm of War* is a powerful, penetrating, andcompulsively readable examination of the causes, currents, and consequences ofthe Second World War.

On 2 August 1944 Winston Churchill mocked Adolf Hitler in the House of Commons by the rank he had reached in the First World War. 'Russian success has been somewhat aided by the strategy of Herr Hitler, of Corporal Hitler,' Churchill jibed. 'Even military idiots find it difficult not to see some faults in his actions.' Andrew Roberts's previous book *Masters and Commanders* studied the creation of Allied grand strategy; *The Storm of War* now analyses how Axis strategy evolved. Examining the Second World War on every front, Roberts asks whether, with a different decision-making process and a different strategy, the Axis might even have won. Were those German generals who blamed everything on Hitler after the war correct, or were they merely scapegoating their former F ü hrer once he was safely beyond defending himself? The book is full of illuminating sidelights on the principle actors that bring their characters and the ways in which they reached decisions into fresh focus.

For fans of *Atonement*, *Birdsong*, and *Downton Abbey*, the first of three novels about a privileged British family enduring the trials of World War I, from New York Times bestselling author Kate Williams. In the idyllic early summer of 1914, life is good for the de Witt family. Rudolf and Verena are planning the wedding of their daughter Emmaline, while their eldest son, Arthur, is studying in Paris, and Michael is just back from his first term at Cambridge. Celia, the youngest of the de Witt children, is on the brink of adulthood and secretly dreams of escaping her carefully mapped-out future and exploring the world. But the onslaught of war changes everything and soon the de Witts find themselves sidelined and in danger of losing everything they hold dear. As Celia struggles to make sense of the changing world around her, she lies about her age to join the war effort and finds herself embroiled in a complex plot that puts not only herself but those she loves in danger. With gripping detail and brilliant empathy, Kate Williams tells the story of Celia and her family as they are shunned by a society that previously embraced them, torn apart by sorrow, and buffeted and changed by the storms of war.

This "engrossing" (The Wall Street Journal) national bestseller and true "heartbreaking tale of tragedy and redemption" (Hampton Sides, bestselling author of *Ghost Soldiers*) reveals how a discovered diary—found during a brutal World War II battle—changed our war-torn society' s perceptions of Japan. May 1943. The Battle of Attu—called "The Forgotten Battle" by World War II veterans—was raging on the Aleutian island with an Arctic cold, impenetrable fog, and rocketing winds that combined to create some of the worst weather on Earth. Both American and Japanese forces tirelessly fought in a yearlong campaign, with both sides suffering thousands of casualties. Included in this number was a Japanese medic whose war diary would lead a Silver Star – winning American soldier to find solace for his own tortured soul. The doctor' s name was Paul Nobuo Tatsuguchi, a Hiroshima native who had graduated from college and medical school in California. He loved America, but was called to enlist in the Imperial Army of his native Japan. Heartstick, wary of war, yet devoted to Japan, Tatsuguchi performed his duties and kept a diary of events as they unfolded—never knowing that it would be found by an American soldier named Dick Laird. Laird, a hardy, resilient underground coal miner, enlisted in the US Army to escape the crushing poverty of his native Appalachia. In a devastating mountainside attack in Alaska, Laird was forced to make a fateful decision, one that saved him and his comrades, but haunted him for years. Tatsuguchi' s diary was later translated and distributed among US soldiers. It showed the common humanity on both sides of the battle. But it also ignited fierce controversy that is still debated today. After forty years, Laird was determined to return it to the family and find peace with Tatsuguchi' s daughter, Laura Tatsuguchi Davis. Pulitzer Prize – winning journalist Mark Obmascik "writes with tremendous grace about a forgotten part of our history, telling the same story from two opposing points of view—perhaps the only way warfare can truly be understood" (Helen Thorpe, author of *Soldier Girls*).

The #1 New York Times bestselling *Red Queen* series comes to a stunning conclusion in *War Storm*. VICTORY COMES AT A PRICE. Mare Barrow learned this all too well when Cal' s betrayal nearly destroyed her. Now determined to protect her heart—and secure freedom for Reds and newbloods like her—Mare resolves to overthrow the kingdom of Norta once and for all . . . starting with the crown on Maven' s head. But no battle is won alone, and before the Reds may rise as one, Mare must side with the boy who broke her heart in order to defeat the boy who almost broke her. Cal' s powerful Silver allies, alongside Mare and the Scarlet Guard, prove a formidable force. But Maven is driven by an obsession so deep, he will stop at nothing to have Mare as his own again, even if it means demolish everything—and everyone—in his path. War is coming, and all Mare has fought for hangs in the balance. Will victory be enough to topple the Silver kingdoms? Or will the little lightning girl be forever silenced? In the epic conclusion to Victoria Aveyard' s stunning series, Mare must embrace her fate and summon all her power . . . for all will be tested, but not all will survive. And don' t miss *Broken Throne: A Red Queen Collection*, featuring three brand-new novellas and other exclusive content, coming in April!

Masters and Commanders describes how four titanic figures shaped the grand strategy of the West during the Second World War. Each was exceptionally tough-willed and strong minded, and each was certain that he knew best how to win the war. Yet each knew that he had to win at least two of the others over in order to get his strategy adopted. The book traces the mutual suspicion and admiration, the rebuffs and the charm, the often explosive disagreements and wary reconciliations which resulted.

During Operation Desert Storm, Captain Keith Rosenkranz piloted his F-16 "Viper" in 30 combat missions. Here he recounts these experiences in searing, "you-are-there" detail, giving readers one of the most riveting depictions ever written of man and machine at war.

James Patterson meets Avatar: The Last Air Bender in this riveting urban fantasy tale rife with blood, fire, and pillars of smoke! Peter Crawford has no interest in being a hero. Even as a war brews between two powerful groups, he wants nothing more than to be left alone. So when Rose Hernandez, a member of the mythical Scarlet Sisters, approaches him asking for his help, he refuses. However, prophecies are set in stone, and even Peter's obstinance can't go against fate. As the war begins to worsen, he must make a decision and come to terms with his destiny. Together with Rose, he must locate the One who might end the bloodshed and save their world. Kachi Ugo's Storm of War is a pulse-pounding ride into a fascinating, fantasy world. With a cast of charismatic characters and a fast-paced, genre-bending storyline that delivers on every promise, Storm of War promises to enchant, entertain, and enthrall! _____ If you love Patricia Briggs, Shannon Mayer, Myke Cole, Michelle Madow, KF Breene, Shayne Silvers, Ilona Andrews, or AL Knorr, don't miss any of Kachi Ugo's books!

NATIONAL BESTSELLER • The intimate true story of three of the greatest American generals of World War II, and how their intense blend of comradeship and competition spurred Allied forces to victory. "One of the great stories of the American military." —Thomas E. Ricks, Pulitzer Prize-winning author of *The Generals* Dwight Eisenhower, George Patton and Omar Bradley shared bonds going back decades. All three were West Pointers who pursued their army careers with a remarkable zeal, even as their paths diverged. Bradley was a standout infantry instructor, while Eisenhower displayed an unusual ability for organization and diplomacy. Patton, who had chased Pancho Villa in Mexico and led troops in the First World War, seemed destined for high command and outranked his two friends for years. But with the arrival of World War II, it was Eisenhower who attained the role of Supreme Commander, with Patton and Bradley as his subordinates. Jonathan W. Jordan' s New York Times bestselling *Brothers Rivals: Victors* explores this friendship that waxed and waned over three decades and two world wars, a union complicated by rank, ambition, jealousy, backbiting and the enormous stresses of command. In a story that unfolds across the deserts of North Africa to the beaches of Sicily, from D-Day to the Battle of the Bulge and beyond, readers are offered revealing new portraits of these iconic generals.

The Fight for the Galaxy is On! Earth's Posleen invasion is contained%at a huge cost in human blood and anguish. Now hard-nosed commander Mike O'Neal discovers that he's saved our world only to unwittingly lead humanity into slavery. It's another twist of the knife in the human back courtesy of those wannabe Masters of the Universe, the Darhel. But the Darhel are about to experience an even nastier revelation of their own. For there are other universes%universes with occupants so ravenous they make the Posleen horde seem like a Boy Scout troop. Occupants with the mind-bending power to open a door between realities%and invade a certain double-spiral galaxy like the plague! As war turns to rout and slaughter, the Darhel have no choice but to beg the one man who hates them more than anything to lead the counter-attack. General O'Neal, welcome to your destiny. The galaxy that betrayed you is now depending on you for salvation! At the publisher's request, this title is sold without DRM (Digital Rights Management). At long last % the latest and greatest entry in military SF master John Ringo's ground-breaking "Posleen War" series, and a direct sequel to his New York Times best-seller *Hell's Faire*. "If Tom Clancy were writing SF, it would read much like John Ringo." %Philadelphia Weekly Press. "(Combines) fast-moving battle scenes with vignettes of individual courage and sacrifice." %Library Journal on New York Times and USA Today best-seller John Ringo's "Posleen War" saga.
